

It's a British Invasion!

**UK Team Challenge and USATF Maters National Multi-Event Championships
June 19-20 Joplin, MO; Missouri Southern State University**

The 9th bi-ennial International Challenge match in conjunction with the USATF National Masters Multi-Event Championships are just a few months away! It's been **donkey's years** since the last meet and everyone's **biting their arms off** in anticipation- this meet really **takes the biscuit!**

A team from Great Britain, Canada, and perhaps even a few other Europeans will be matched up against similar competitors from the US. There will be team scoring to determine bragging rights for the next two years.

The event is coordinated with our National multi-events champion. Men's decathlon and Women's heptathlon will be contested.

After the event everyone will probably be feeling a bit **knackered**, but don't worry there will be plenty of time to recharge with a pint and celebrate a great meet with some new **mates**. Be careful though, after a long day in the sun, you might be feeling a bit squiffy before you know it.

YEAH BABY!

Final details are yet to come. Please check the website later to make your official travel and vacation plans.

The entry form and other details will be available on: www.decamouse.com . Questions should be directed to Tom Thorne at 417-451-7417 or at his email Tphill525@att.net.

Cheers!

English-American Dictionary:
'donkey's years' - a long time
'biting your arm off' - excited about something
'takes the biscuit' - really good, can't be out done

'knackered' - really tired
'mates' - friends, buddies
'cheers' - goodbye
